

**QWFC Whites V Frampton  
Saturday 8-September -2007**

On Saturday the Whites played their first away game at Frampton off the back of a good win at home against Rodborough we were all hoping a good performance but it was apparent straight from the kick that Frampton were a very good side and our defence were under constant pressure and we struggled to make any attacks.

After a Frampton attack they won a corner from which they scored their first goal. Frampton 1-0 from then on we tried harder and made a few chances but just could not seem to find the final killer shot and the first half ended 1 - 0.

In the second half it was soon 2-0 to Frampton and our heads seem to drop and Frampton pushed on and forced a third 3-0. After that we rallied and won a series of corners and forced some good saves out of their goalie Ryan Webb had many shots but the luck was definitely with Frampton we even had one shot cleared off the line twice which we think actually crossed but the Referee couldn't see with the number of players from both sides scrabbling for the ball so the score stayed 3-0.

Near the end our boys were showing their tiredness and frustrations and unfortunately this ended with Frampton scoring 2 more goals. The Final score ended up 5-0 to Frampton.

The man of the match was awarded to James. Our boys battled hard but at the end of the day Frampton were a better side and we learnt a lot.
